SIGNATURE SLUSHIES

Matterhorn: This refreshing drink is mastered after the famous peak in the Swiss Alps. A blue raspberry slushie with Watershed Gin garnished with a Blue-Ras Sour Head Extreme and topped with whipped cream and a cherry at its peak. Beware: It's cold on this Mountain!

\$7.5

Mean Streak: This drink is sure to bring out everyone's mean streak. Made with tiger blood slush, Espolon Tequila, and red pepper. Garnished with a sword laced with cherry blood. Topped with whipped cream and black sugar.

\$7.5

Tunnel Of Love: This drink meant for two combines the aphrodisiac qualities of vanilla and hot peppers. Served in a large glass with two straws, cherry slushie and x2 Stoli Vanilla Vodka. Buried in this tunnel is a shot glass of hot peppered Espolon Tequila and a cherry. The shot is sealed in the drink waiting for you to pop the barrier (with your straw), when you both are ready for that next step. For those adventurous couples, a third straw is always available upon request.
