

CURRENT HOURS
Tuesday-Sunday
4pm-10pm
CLOSED MONDAY

We are in pandemic mode. We are prepared to shutdown daily or hourly. We try to do everything we can to keep people safe, but each person is responsible for themselves and the ones around them.

You must follow all State and Federal guidelines and laws to be in this establishment. You will be banned from this establishment if you do not follow the guidelines. Some simple reminders.

1. You must wear a mask. The exception is if you are **seated** and drinking.
2. **No standing**, unless you are ordering at the order window.
3. **No pets**. (As required by the health department during the pandemic)

Our prices are the same as pre-Covid. We are not able to have weekly specials.

1/2 off happy hour is 4-6pm.

No draft beer for now, all beer is canned. No food or popcorn.

BEER CANS

This beer list is short. As many know we had all draft before. When we had to shutdown we were left with 2200 pints of beer (in our kegs) that was going to go bad. We now operate on a day to day basis.
